Subject: Land off Maple Drive, Aston On Trent - DMOT/2019/0870

Good Afternoon,

Thank you for consulting the Lead Local Flood Authority (LLFA) regarding the above planning application.

In order to demonstrate that condition 18 of planning application 9/2018/1290 is being fully satisfied, the LLFA need the below further information to be submitted:

- Drainage calculations up to the 1 in 100 year (plus climate change) critical storm period in support of the surface water drainage scheme, demonstrating full compliance with DEFRA's Non-statutory technical standards for sustainable drainage systems.
- Details for the proposed construction of the soakaways and permeable paving.
- Details of how the on-site surface water drainage systems shall be maintained and managed after completion, and the party appointed responsible for this.

Kind Regards,
Scott
