Heritage Statement

Re:- Stop Cottage, Pingle Lane, Swarkestone DE73 7GN

To Change Replacement Windows and Doors

The original design of the windows is unknown.

We have searched for the original photographs, but are unable to find any.

So we intend to install new windows as to the drawings enclosed.

Advantages are to achieve a Uvalue to the property.

Creating, an energy performance certificate rating, D.

This will enhance the property and reduce the future fuel costs.

We hope this all meets with your satisfaction. Any problems or queries, please do not hesitate to contact me.

Yours truly,

Mick Mumford
