Subject: DMOT/2019/0917 Application for approval of details required by conditions 10 and 21 attached to planning permission ref. 9/2017/1293 (relating to approval of outline permission ref. 9/2017/1293 for the erection of up to 45 dwellings) at Derby Rd, Hilton

Dear Eleanor,

Thank you for consulting on this submission of details required by condition. The applicant has submitted a WSI for archaeological evaluation – however the archaeological evaluation has taken place on site and a report on findings is awaited. I advise that the applicant should submit the report on the evaluation work so that we can either discharge the condition or determine that a further phase of work is needed.

Regards

Steve Baker MA MCIFA | Archaeologist
