Dear Mr Barrett

Thank you for your correspondence regarding the ground to the rear of 8 – 22 Uttoxeter Road.

With regards to paragraph 4 in your letter dated 30th April 2019. The owner of number 14 has agreed to purchase the main area of ground as garden. She is fully aware of the Tree Protection Order covering this area and appreciates the trees around the garden.

I believe she may want a summer house in the future but this will not have any effect on the trees within the area.

Yours faithfully

Andrew Yates
