Subject: Axis 50 Planning Application - Objection

Dear Chris

Hilton Parish Council would like to supplement their objection to the Axis 50 Planning application DMPA/2019/0948, submitted by the council on 7 October 2019.

Having been made aware of and read the reports on Planning, prepared by dlp planning ltd and Transport, prepared by Connect Consultants, it is clear that they provide much more expert analysis than Hilton Parish Council is capable of. The conclusions and objections arrived at in these reports not only support our current objections but provide compelling arguments for the basis of further objection which Hilton Parish Council fully support.

Please supplement our current objection with the objections of the above referenced reports.
Many thanks.

Best Regards

Charles Cuddington
