Chris

Further to my e-mail below, the submitted documents do not include a Stage 1 Road Safety Audit which would be expected at this stage and should have been included as part of the application.

I would be obliged if you would ask the applicant to submit the appropriate documents and also to clarify the term "all matters reserved except for access **in part**" as, amongst other things, we have concerns that the junctions off the main spine roads proposed are not indicated in sufficient detail or appropriate locations.

Regards

Dear sir

As you will be aware, Derbyshire County Council, as Highway Authority, have been consulted on the above application.

I am in the process of consulting with all necessary colleagues at the moment but shall be away from the office for the next two weeks due to annual leave. I hope to get a response to you as soon as possible on my return.
