Dear sir

I refer to the above application to discharge Condition 1 of planning consent 9/2019/0201 relating to a parking layout at the above site.

The layout submitted could not be implemented without the removal of all boundary features fronting the site and would not be practical to operate due to the number of captive spaces. As such, the condition cannot be discharged

I will be happy to comment on any revised scheme in due course.

Yours faithfully
