

## DETAIL 2

### Typical Stone Window Cill

The image contains two architectural drawings of a 'Section Bay Cill'.

The top drawing is an elevation view. It shows a wall section with a horizontal line indicating the top of the cill. Below this line, the wall is composed of stone blocks, with the word 'STONE' written vertically. To the right of the stone blocks, there is a brick cill, with the word 'BRICK' written vertically. The wall is shown in a perspective view, with a vertical line on the left and a horizontal line on the right.

The bottom drawing is a plan view of the bay cill. It shows a rectangular area with a diagonal hatched pattern. The dimensions are as follows: the overall width is 140, the overall height is 102.5, the width of the hatched area is 105, the height of the hatched area is 47.5, and the width of the un-hatched area on the right is 35. The word 'SECTION BAY CILL' is written vertically to the left of the drawing.

## DETAIL 4
