Subject: DMPA/2019/0887 Conversion of a single dwelling, garages, workshop, swimming pool and offices to six individual dwellings etc The Steading, Main Road, Elvaston

Dear Katie

Thank you for consulting us on this proposal. As the buildings in question have been significantly re-developed previously, we do not consider that it will have archaeological impact. Because of the proximity of the development to the Grade II* parkland associated with Elvaston Castle however, we would recommend that you consult your Conservation Officer on the impact on the setting of the parkland of this scheme.

Regards

Sarah
