Sue,

RE: Axis 50 (formerly known as Burnaston Crosss), Etwall Road, Willington, DMPA/2019/0948 TP39165

Travel Plan comments here are attached.

In the event of a S106, the usual considerations apply, ie:

- Travel Plan monitoring fee: £1,015.00 pa x 5 years (or one year post occupation of all units, whichever is greater), total £5,075.00 (minimum).
- Greenways contribution: Section 26 of the proposed Derbyshire Key Cycle Network runs along the towpath of the Trent and Mersey Canal at Willington. This has the potential to take trips to the development off the highway network, using the proposed south eastern access. Consult Countryside for current KCN budget requirements.

Regards
