

RE: 23 Claymar Drive, Newhall - Front extension 2021/0359

With reference to the e-mails below, provided that you are satisfied that the remaining space between the garage door and the highway boundary will be 5.6m, as stated, and a condition is included in any consent requiring the use of a roller shutter door only on the garage, there are no objections to the proposal from the highway point of view.

Kind regards
