

An aerial map of a residential neighborhood. A specific lot is outlined in red. This lot contains a building with a grey hatched roof and is labeled with the number '91'. To the left of the red-outlined lot is a larger lot with a grey building labeled '10'. To the right of the red-outlined lot is another lot with a grey building labeled '21'. Further right, another lot is labeled '12'. A road or path runs vertically through the center of the map, with the word 'CLOSE' written vertically along it. The map shows various other lots and buildings, some with grey roofs and others with white roofs. The overall layout is a grid-like street pattern.
