Hi James,

Matt has put a 'no comment' on our system but this had not been forwarded to you. Apologies.

Hi John,

I don't seem to have had a response for this application for a new agricultural building for the keeping of animals – you were consulted on the 8th August via the EH email address. Looks fairly straightforward, given no immediate neighbours. I assume that you have no comments to make. I have asked for an extension until Friday 8th October. Please could you provide me with a response before then. Thanks.

Kind regards

James Norton

We are currently receiving a high number of planning applications which is resulting in delays to our usual response times. We are determining applications and responding to enquiries in the order they are received. We will respond as soon as possible.

Any advice is given at officer level only and does not prejudice any formal decision the Council makes in the future.

Due to ongoing Covid-19 situation I am working from home for the foreseeable future. I will respond to your email but please bear with me if this takes a little longer than usual. Caring responsibilities mean that I will be varying my working pattern. For urgent matters you can contact me on my work mobile.
