South Derbyshire District Council
Civic Offices
Civic Way
Swadlincote
Derbyshire
DE11 0AH

Dear Sir/Madam,

Application for planning permission for the demolition of an existing car wash and construction of a new hydrogen production and storage and vehicle refuelling station and associated signage, located on land at the Shell Garage, Derby and Burton Services, Willington, DE65 6DX

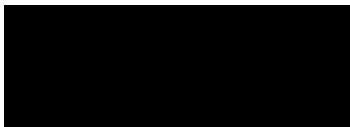

This application is submitted on behalf of ITM Power Plc by TNEI Services Ltd. The following documentation will be submitted via the Planning Portal:

- Design & Access Statement (this provides a Design and Access Statement in accordance with best practice as well as a planning policy appraisal illustrating the proposal's compliance with national and local planning policy);
- Figure 1 – Site Location Plan;
- Figure 2.1 – Setting Out Plan (Sheet 1);
- Figure 2.2 – Setting Out Plan (Sheet 2);
- Figure 3 – General Site Plan;
- Figure 4 – Existing Layout;
- Figure 5 – General Arrangement Plans;
- Figure 6 – Compound Elevations & Details;
- Figure 7 – Canopy Layout;
- Figure 8 – Compound Base Plan;
- Figure 9 – Compound Services Plan; and
- Figure 10 – Tracking Layout.

The planning application fee of £462 (based on the plant and machinery fee category) will be paid directly to the Council by the applicant.

I hope this is clear, however, should you have any questions, please do not hesitate to contact me.

Yours faithfully,

Jack Reay
