Subject: Application ref. DMPA/2021/1010: Consultation on planning application

Hi,

I've received the above application for consultation, however I believe there is a document missing. Within the River Mease Impact Statement it states that further details on the foul drainage arrangement are available in appendix A of the report, however I cannot find this appendix. Please could you send this over to me, if you have it?

Many thanks,

Robbie
