Neil,

Please could you advise if you are in a position to determine the application favourably?

Kind Regards,

Emily

Neil,

Please could you advise if there have been any further statutory consultee comments received in relation to the planning application stated above or whether we are awaiting any further responses? Given the determination deadline has now passed please could you advise if you are in a position to determine the application favourably?

Also, please could you provide an update in relation to the other application to vary conditions (Ref. DMPA/2021/0467) we submitted at the same time as this one as it does not appear to have passed the validation stage and was submitted back in September.

Kind Regards,

Emily

Neil,

Thank you, yes I confirm that all the existing trees are around the boundary of the site and there will be no development in the root protection areas.

Kind Regards,

Emily

Ok Emily will. It didn't look to me like there would be a lot of detrimental impact on retained trees.

Kind regards
