Dear Sir/Madam,

I write in regard to the above.

I note that the date for the receipt of public representations on the above is the 4th January.

I would like to request a short extension for the receipt of these comments for the members of the public in the village. There has been a slight delay at the Council in uploading some of the appeal documents received by the appellant. Also given the likely delays as a result of the festive period to enable people to access the information.

I would therefore like to request an extension until the 19th January for any comments.

I look forward to confirmation that this extension will be acceptable.

Kind regards

Neil Thompson
