ST Classification: OFFICIAL PERSONAL

Dear Howard

I can confirm the following from our legal opinion:

“Our review of our position is that we have not found any evidence of an agreement in place between Severn Trent and the adjacent land owner on our files regarding permission for an access point on to our land. As the route in to site is a permissive one ST have the right to close access or not.”

If there is anything further that you require from me please let me know.

Many thanks

Dominic
