

DMOT/2021/1641 – The Coach House, Hoon Lane, Hilton

Additional details received by email on 02/01/2022:

Both the Garage Door and a matching side pedestrian door are from a company called Alutech

https://old.alutech-group.com/en/products/sectional_gates/garage/trend

and will be painted in RAL 7009 Green Grey which matched the colour of the house front door.

The Garage door is a S-Ribbed Section Door with a woodgrain finish, see attached photograph as an example of what the finished product will look like, albeit the example is in a different colour.

S-ribbed Panel

- 10 standard colors with [Woodgrain embossing](#)
- 3 colors imitating wood grain with [smooth surface](#)
- It is possible to paint in any colour according to RAL and DB catalogues.
