Hello Sarah,

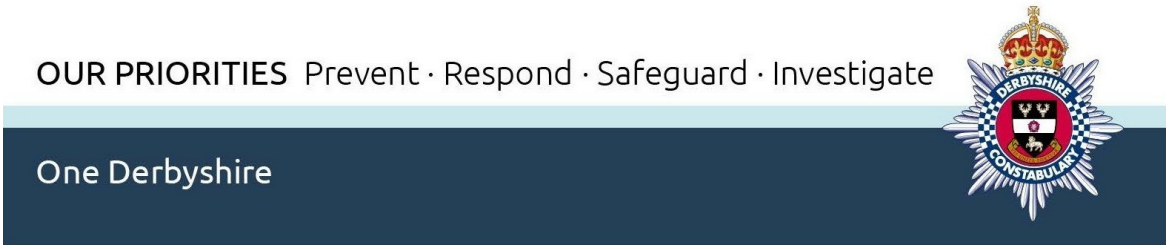

Thank you for referring this application for our comments.

The application is broadly fine as proposed, excepting the location of the cycle stores.
These are covered Sheffield stands currently sited at the edge of the open employee car park.

To reduce the risk of cycle theft we would advise that these stands/covers are relocated within the secured boundary of the goods yard,
most likely close to the pedestrian boundary gate near the front fire escape door.

Regards

Keith Beswick Ad Cert ED&CP, LCGI.
