Ref. No. 9/2015/0396

Local Government Act 1972
Town and Country Planning Act 1990

GRANT OF PLANNING PERMISSION

With respect to your application received 30 June 2015 for **THE ERECTION OF 6 3-BED DWELLINGS ON LAND TO THE REAR OF 145 OVERSETTS ROAD NEWHALL SWADLINCOTE**; in exercise of its powers as the Local Planning Authority under the above Acts and related subordinate legislation, the Council hereby gives notice that its decision is as follows:

PERMISSION IS **GRANTED** subject to the following conditions:

1. The development permitted shall be begun before the expiration of three years from the date of this permission.

Reason: To conform with Section 91(1) of the Town and Country Planning Act, 1990 (as amended by section 51 of the Planning and Compulsory Purchase Act 2004).

2. Notwithstanding the originally submitted details, this permission shall relate to the amended drawing ref. 02D; unless as otherwise required by condition attached to this permission or allowed by way of an approval of a non-material minor amendment made on application under Section 96A of the Town and Country Planning Act 1990 (as amended).

Reason: For the avoidance of doubt, the original submission being considered unacceptable.

3. If during development any contamination or evidence of likely contamination is identified that has not previously been identified or considered, then the applicant shall submit a written scheme to identify and control that contamination. This shall include a phased risk assessment carried out in accordance with the procedural guidance of the Environmental Protection Act 1990 Part IIA, and appropriate remediation proposals, and shall be submitted to the LPA without delay. The approved remediation scheme shall be implemented in accord with the approved methodology.

Reason: To protect the health of the public and the environment from hazards arising from previous contamination of the site which might be brought to light by development of it.

4. Before any works involving the construction of any dwelling commences a scheme for the disposal of surface and foul water shall be submitted to and agreed in writing by the Local Planning Authority. The scheme shall be carried out in conformity with the details which have been agreed before the development is first brought into use.

Reason: In the interests of flood protecting and pollution control.

5. Before any works involving the construction of any dwelling commences precise details, specifications and, where necessary, samples of the facing materials to be used in the construction of the external walls and roof of the building(s) have been submitted to and approved in writing by the Local Planning Authority. The work shall be carried out in accordance with the approved details.

Reason: To safeguard the appearance of the existing building and the locality generally.

6. The development shall be implemented in accordance with the recommendations of the submitted Coal Mining Risk Assessment, in particular with regard to intrusive site investigation works (which shall be undertaken prior to the commencement of any other development) and any resultant remedial works identified by the site investigation.

Reason: To ensure the stability and safety of the development, having regard to the Coal Mining Risk Assessment undertaken and recognising the Council's opinion that this element of the development could lead to unacceptable impacts even at the initial stages of works on site.

7. Notwithstanding any details submitted or the provisions of the Town and Country Planning (General Permitted Development) Order 1995 (as amended), prior to the erection of boundary treatments plans indicating the positions, design, materials and type of boundary treatment to be erected shall be submitted to and approved in writing by the Local Planning Authority. The boundary treatment shall be completed in accordance with the approved details before the development is occupied or in accordance with a timetable which shall first have been agreed in writing with the Local Planning Authority.

Reason: In the interests of the appearance of the area.

8. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015, or any statutory instrument amending, revoking and/or replacing that Order; none of the dwellings hereby permitted shall be enlarged or extended without the prior grant of planning permission on an application made to the Local Planning Authority in that regard.

Reason: To maintain control in the interest of the character and amenity of the area, having regard to the setting and size of the development, the site area and effect upon neighbouring properties and/or the street scene.

9. Before any works involving the construction of any dwelling commences details of the finished floor levels of the buildings hereby approved and of the ground levels of the site relative to adjoining land levels, shall be submitted to, and approved in writing by, the Local Planning Authority. Thereafter, the development shall be constructed in accordance with the agreed level(s).

Reason: To protect the amenities of adjoining properties and the locality generally.

10. Before any works involving the construction of any dwelling commences space shall be provided within the site for storage of plant and materials, site accommodation, loading, unloading and manoeuvring of goods vehicles, parking and manoeuvring of site operatives' and visitors' vehicles, laid out and constructed in accordance with detailed designs first submitted to and approved in writing by the Local Planning

Authority. Once implemented the facilities shall be retained free from any impediment to their designated use throughout the construction period.

Reason: In the interests of highway safety.

11. Throughout the period of development vehicle wheel cleaning facilities shall be provided and retained within the site. All construction vehicles shall have their wheels cleaned before leaving the site in order to prevent the deposition of mud and other extraneous material on the public highway.

Reason: In the interests of highway safety.

12. Before any works involving the construction of any dwelling commences, the new access shall be formed to Oversetts Road. The access shall have a minimum width of 4.8m, be constructed as a dropped vehicular crossover, provided with 2m x 2m x 45° pedestrian intervisibility splays and 2.4m x 33m visibility sightlines in each direction. The area forward of the sightlines shall be cleared and maintained throughout the life of the development clear of any obstruction exceeding 600mm in height relative to road level.

Reason: In the interests of highway safety.

13. Prior to the occupation of any new dwelling, the existing access shall be reinstated as footway in accordance with a scheme first submitted to and approved in writing by the Local Planning Authority in consultation with the County Highway Authority.

Reason: In the interests of highway safety.

14. Prior to the first occupation of any dwelling the car parking and manoeuvring space associated with the public house and the new dwellings shall be laid out in accordance with the revised application drawing (1194H 02D) and maintained thereafter free of any impediment to its designated use.

Reason: In the interests of highway safety.

15. Prior to the occupation of any of the dwellings hereby permitted a landscaping scheme along the western boundary shall be submitted and approved in writing by the Local Planning Authority. The landscaping shall be implemented in accordance with the approved scheme and shall be planted in the same or immediately following planting season (November to March) from the date of this permission.

Reason: To protect the residential amenity of properties adjacent to the western boundary.

16. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015, or any statutory instrument amending, revoking and/or replacing that Order; the southern most plot shall have bedroom 1 on the front elevation and the nearest first floor window adjacent to the southern boundary serving this room shall be glazed in obscure glass and permanently maintained thereafter as such.

Reason: To avoid overlooking of adjoining property in the interest of protecting privacy.

You are advised:

1. The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to The Coal Authority on 0345 762 6848. It should also be noted that this site may lie in an area where a current licence exists for underground coal mining. Further information is also available on The Coal Authority website at: www.gov.uk/government/organisations/the-coal-authority. Property specific summary

information on past, current and future coal mining activity can be obtained from: www.groundstability.com.

2. This permission is the subject of a unilateral undertaking or agreement under Section 106 of the Town and Country Planning Act 1990.

3. In dealing with this application, the Local Planning Authority has worked with the applicant in a positive and proactive manner through suggesting amendments to improve the quality of the proposal. As such it is considered that the Local Planning Authority has implemented the requirement set out in paragraphs 186 and 187 of the National Planning Policy Framework.

4. Severn Trent Water advises that there is a public sewer located within the application site. Public sewers have statutory protection by virtue of the Water Industry Act 1991 as amended by the Water Act 2003 and you may not build close to, directly over or divert a public sewer without consent. You are advised to contact Severn Trent Water to discuss your proposals. Severn Trent Water will seek to assist you in obtaining a solution which protects both the public sewer and the proposed development.

5. Pursuant to Section 184 of the Highways Act 1980 and Section 86(4) of the New Roads and Streetworks Act 1991 prior notification shall be given to the Department of Economy Transport & Environment at County Hall, Matlock regarding access works within the highway. Information, and relevant application forms, regarding the undertaking of access works within highway limits is available via the County Council's website http://www.derbyshire.gov.uk/transport_roads/roads_traffic/development_control/vehicular_access/default.asp, email ETENetmanadmin@derbyshire.gov.uk or telephone Call Derbyshire on 01629 533190.

6. Pursuant to Section 278 of the Highways Act 1980 and the provisions of the Traffic Management Act 2004, no works may commence within the limits of the public highway without the formal written Agreement of the County Council as Highway Authority. It must be ensured that public transport services in the vicinity of the site are not adversely affected by the development works. Advice regarding the technical, legal, administrative and financial processes involved in Section 278 Agreements may be obtained by contacting the County Council via email - es.devconprocess@derbyshire.gov.uk. The applicant is advised to allow approximately 12 weeks in any programme of works to obtain a Section 278 Agreement.

Authorised Officer of the Council

Date: 23 January 2017

YOUR ATTENTION IS DRAWN TO THE ATTACHED NOTES

NOTES

WARNING: This is a planning decision notice. It conveys no approval under any other legislation and does not override or supersede or negate that legislation or the need to comply with restrictive covenants under the Civil Law. In particular the necessary approval under the Building Regulations and the Public Health Acts must be obtained before the carrying out of building works. Where the highway, including pavement crossing, is to be altered, the Local Highway Authority (01629 580000) should be consulted for its requirements.

APPEALS TO THE SECRETARY OF STATE: If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990:

- If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.
- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.
- If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice. However, if this is a decision to refuse planning permission for a minor commercial application (as defined by Part 1 Article 2 of the Town and Country Planning Development Management Procedure Order 2015), if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
- Appeals must be made using a form which you can get from The Planning Inspectorate, Room 3/13, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN or online at www.gov.uk/appeal-planning-decision.
- The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

PURCHASE NOTICES: If as owner of the land you believe that the refusal of permission or approval subject to an unacceptable condition causes the land to become incapable of beneficial use in its existing state and it cannot be made capable of beneficial use by carrying out any development which has, or would be permitted, you may serve on the Council a purchase notice requiring that the Council purchases your interest in the land (Part VI of the Town and Country Planning Act 1990).

BREACH OF CONDITIONS: Once the permission has been implemented, carrying on the development in breach of any of the conditions imposed on it becomes a prosecutable offence. Therefore you are advised to take careful note of each condition with a view to compliance, including obtaining prior approval where required.

INACCURATE PLANS: If the submitted plans or other information contained in the application referred to in this Notice prove to be inaccurate, the development could be rendered impracticable and any permission granted be made invalid. A further application will be required.

CHANGES IN INTENTION: Any intended variation from the approved plans should be notified to the Council well in advance: a further permission, approval or consent may be necessary. Unauthorised variations may result in enforcement proceedings.

FURTHER INFORMATION: If you have any questions about this notice, please contact Support Services Planning Administration, direct dial (01283) 228706 of the Planning Services Department, South Derbyshire District Council, Civic Offices, Civic Way, Swadlincote, Derbyshire, DE11 0AH.
