Dear Sir/Madam

**THE PRUNING AND FELLING OF TREES AT THE GRANGE PACK HORSE ROAD
MELBOURNE DERBY**

Thank you for your notification of intended tree work. Following a site inspection, it is considered that your proposal to carry out work on the trees(s) in question is acceptable and therefore I have no objections.

Nevertheless, I must inform you of the following matters:

If this work is not carried out within two years of giving notice, a further notice is required.

You are advised that all work should be carried out in accordance with the British Standards Institute's recommendations for tree work.

Yours faithfully

Tony Sylvester
Planning Services Manager

NOTES

Any correspondence or enquiries concerning this notice should be addressed to Planning, South Derbyshire District Council, Civic Offices, Civic Way, Swadlincote, Derbyshire DE11 0AH.

If the work is carried out in such a manner as to result in the removal, uprooting or destruction of a protected tree or trees, without the consent of the Local Planning Authority or as provided by section 211 of the Town and Country Planning Act 1990, you may be liable to replace such a tree or trees by a tree or trees of appropriate size and species under the duty laid down under section 213(1) of the Act. Accordingly, you are advised to consider employing a qualified tree surgeon or other competent person to carry out or oversee the works.

If for any reason the proposed works are not carried out before the expiry of two years from the date of the original notice, a further notice must be served.
