Ref. No. 9/2016/0319

Local Government Act 1972
Town and Country Planning Act 1990

GRANT OF PLANNING PERMISSION

With respect to your application received 13 April 2016 for **THE ERECTION OF AN EXTENSION INCLUDING CONVERTING THE GARAGE AT 10 BIRCH GROVE, HATTON, DERBY**; in exercise of its powers as the Local Planning Authority under the above Acts and related subordinate legislation, the Council hereby gives notice that its decision is as follows:

PERMISSION IS **GRANTED** subject to the following conditions:

1. The development permitted shall be begun before the expiration of three years from the date of this permission.

Reason: To conform with Section 91(1) of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Compulsory Purchase Act 2004).

2. The development hereby permitted shall be carried out in accordance with drawings numbered 1603/3 and 1603/5 received 4th April 2016; unless as otherwise required by condition attached to this permission or allowed by way of an approval of a non-material minor amendment made on application under Section 96A of the Town and Country Planning Act 1990 (as amended).

Reason: For the avoidance of doubt.

3. All external materials used in the development to which this permission relates shall match those used in the existing building in colour, coursing and texture unless prior to their incorporation into the development hereby approved, alternative details have been first submitted to and approved in writing by the Local Planning Authority.

Reason: To safeguard the appearance of the existing building and the locality generally.

4. Prior to the commencement of the development hereby permitted the applicant shall confirm in writing to the Local Planning Authority, as a minimum, that:
 - (1) Floor levels within the proposed development will be set no lower than existing levels AND,
 - (2) Flood proofing of the proposed development has been considered by the applicant and incorporated where appropriate.

Reason: To ensure that it is possible to incorporate important flood avoidance features including construction levels before the development begins in the interests of flood protection.

You are advised:

1. In the event that condition 4 is insufficient and floor levels within the extension must be set 300mm above the known or modelled 1 in 100 year (annual probability 1% chance) river flood level or 1 in 200 year (annual probability 0.5% chance) tidal & coastal flood level (which has been demonstrated by a plan to Ordnance Datum/GPS showing finished floor levels relative to the known or modelled flood level), it is likely that a further planning permission would be required.
2. In dealing with this application, the Local Planning Authority has worked with the applicant in a positive and proactive manner through quickly determining the application. As such it is considered that the Local Planning Authority has implemented the requirement set out in paragraphs 186 and 187 of the National Planning Policy Framework.
3. You must ensure that no part of the development extends onto, over or under your neighbour's property. You are advised that The Party Wall Act 1996 provides a framework for preventing and resolving disputes in relation to party walls, boundary walls and excavations near neighbouring buildings.

YOUR ATTENTION IS DRAWN TO THE ATTACHED NOTES

NOTES

WARNING: This is a planning decision notice. It conveys no approval under any other legislation and does not override or supersede or negate that legislation or the need to comply with restrictive covenants under the Civil Law. In particular the necessary approval under the Building Regulations and the Public Health Acts must be obtained before the carrying out of building works. Where the highway, including pavement crossing, is to be altered, the Local Highway Authority (01629 580000) should be consulted for its requirements.

APPEALS TO THE SECRETARY OF STATE: If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990:

- If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.
- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.
- As this is a decision relating to a householder application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
- Appeals must be made using a form which you can get from The Planning Inspectorate, Room 3/13, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN or online at www.gov.uk/appeal-planning-decision.
- The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

PURCHASE NOTICES: If as owner of the land you believe that the refusal of permission or approval subject to an unacceptable condition causes the land to become incapable of beneficial use in its existing state and it cannot be made capable of beneficial use by carrying out any development which has, or would be permitted, you may serve on the Council a purchase notice requiring that the Council purchases your interest in the land (Part VI of the Town and Country Planning Act 1990).

BREACH OF CONDITIONS: Once the permission has been implemented, carrying on the development in breach of any of the conditions imposed on it becomes a prosecutable offence. Therefore you are advised to take careful note of each condition with a view to compliance, including obtaining prior approval where required.

INACCURATE PLANS: If the submitted plans or other information contained in the application referred to in this Notice prove to be inaccurate, the development could be rendered impracticable and any permission granted be made invalid. A further application will be required.

CHANGES IN INTENTION: Any intended variation from the approved plans should be notified to the Council well in advance: a further permission, approval or consent may be necessary. Unauthorised variations may result in enforcement proceedings.
