22 December 2017

Dear Mrs Lewin,

THE REDUCTION IN HEIGHT BY 50% OF A CYPRESS TREE AND LIGHT PRUNING OF A NORWAY SPRUCE TREE AT 59 HIGH STREET, TICKNALL, DERBY.

Thank you for your notification of intended tree work. Following a site inspection, it is considered that your proposal to carry out the specified work on the trees in question is acceptable and therefore I have no objections.

Nevertheless, I must inform you of the following matters:

1. If this work is not carried out within two years of giving notice, a further notice is required.
2. You are advised that all work should be carried out in accordance with the British Standards Institute's recommendations for tree work.
3. Notwithstanding the original notification, the works hereby consented extend only to those trees referred to above, in accordance with the email from the applicant dated 19/12/2017 altering the proposed 50% reduction of the Norway Spruce Tree to light pruning of the tree to prevent interference with telecommunications wires through the tree canopy only.

Yours sincerely,

Authorised Officer of the Council

Date: 22 December 2017
