To: Jessica Clarke-Roome; SDDC Planning Applications
Subject: RE: Application ref. DMOT/2025/1122: Consultation on planning application

Good afternoon

In reference to the above application, I can confirm I am happy to approve the details required by condition 28 (Land Contamination), part a and part d. All recommendations in document C7756/JD/8736 in relation to ground gas/contaminated land must be followed.

Kind regards

Sarah
